

Catechists Training
Children's Religious Education 2017-2018
Arrive 20 minutes before class

Catechists play a very important role in the evangelizing mission of the Church. Passing on the faith as well as deepening one's own understanding and commitment to living the faith is a privilege, right, and responsibility derived from our Baptism. Therefore, it is important that everyone called to participate in this mission have not only a mature and living adult faith, but also possess both the understanding and the skill to share it effectively.
